introduction to the mystery of the church is an ecclesiological survey presenting a doctrinal synthesis of the church the author's intention is to propose an overview of this mystery in connection with the entirety of the christian mystery the book is divided into two major parts the first presenting the foundations in the bible and the tradition up to our day and the second being an explanatory proposal introducing the reader to the church's definition and personality and concluding with an exposition of the four properties enunciated in the creed one holy catholic and apostolic the value of this way of proceeding is first and foremost in the proposal of a synthesis that allows one to situate each question in its rightful place such study being oriented toward a better overall grasp of the subject as the title suggests the book is an introduction that should allow the reader to apprehend the mystery in its internal coherence in order subsequently with the aid of other texts to be able to enter more deeply into the study of one or other specific point while this ecclesiology treatise is written from a catholic point of view an ecumenical perspective is often present either through the presentation of divergent views from other christian confessions or through the proposal for a theological convergence

what is church's true foundation was the christian church founded by jesus or does the eucharist make the church paul avis sets out his own answer to these questions gathering a wide range of critical scholarship he argues that there is something solid and dependable at the foundation of the church's life and mission avis argues that jesus wanted a church in a sense but not as we know it christ proclaimed the gospel of the kingdom and his disciples proclaimed the gospel whose content was jesus himself the kingdom in person the church is battered and divided but at its core is a treasure that is indestructible the gospel of christ embodied in word and sacrament a central theme of the book is the relationship between the church and christ the church and the gospel the church and the kingdom jesus christ crucified and risen is the sole foundation of the church but he cannot be without his people

how does the church perceive herself fr louis bouyers the church of god sets out to answer that question in light of tradition and theological reflection through the centuries but especially by drawing on the teaching of the second vatican council this book is a highly readable thorough synthesis of ecclesiology after the council presented by one of the greatest theologians of the 20th century the author himself a former lutheran minister also explores reformation views of the church as well as the catholic church's deepened understanding of her distinctive identity and her imperfect but real communion with the orthodox churches and protestant ecclesial communities the church of god is a major contribution to the ecclesiology of communion fostered by the second vatican council and continued by pope paul vi but

especially by john paul ii and benedict xvi indeed the book reflects the hermeneutic of reform pope benedict xvi insists should guide the interpretation of vatican ii

an upper level introduction to the christian doctrine of the church this book is a rigorous comprehensive introduction to the doctrine of the church by taking the tack of walking readers through the internal logic of ecclesiology rather than simply offering a compendium of perspectives on each issue that arises the authors seek to teach and model thinking theologically with the grain of scripture and ecclesial reflection about the church the chapters are peppered with two to three excurses per chapter which consider a particularly pertinent issue that arises from the doctrine s development e g the move from jesus to the church schism and the rise of denominations sacramental mediation or contemporary concerns e g the question of other religions contemporary ecumenical questions the emerging church while the overall tone and content of the book articulate and invite discussion on the problematics of ecclesiology these excurses will provide ample opportunity to examine and where appropriate untangle ecclesiological knots continuum s guides for the perplexed are clear concise and accessible introductions to thinkers writers and subjects that students and readers can find especially challenging or indeed downright bewildering concentrating specifically on what it is that makes the subject difficult to grasp these books explain and explore key themes and ideas guiding the reader towards a thorough understanding of demanding material

what does the church believe every church has a driving confession but what is the confession of a true and biblical church the heart of the church answers with the gospel it explains the story of the gospel its basic doctrines and god s work in salvation fresh yet consistent with classic expressions it helps churches reclaim their essential identity and return from distracting pursuits useful for training in membership classes discipleship groups and elder boards and even for devotional reading the heart of the church is at once theological practical and experiential readers will not simply be informed but led to believe in rejoice in and be transformed by the truth of god for his gathered people without the gospel the church does not exist this book is thorn s full and detailed exploration of the message that is indispensable to the church s life and identity for any church lacking power any christian feeling dry or any person seeking truth the heart of the church brings relief direction and light leading to worship

renowned evangelical theologian gerald bray provides a clear and coherent account of the church in biblical historical and theological perspective he tells the story of the church in its many manifestations through time starting with its appearance in the new testament moving through centuries of persecution and triumph and discussing how and why the ancient church broke up at the reformation along the way bray looks at the four classic marks of the church its oneness holiness

catholicity and apostolicity and illustrates how each of these marks has been understood by different christian traditions the book concludes with a look at the ecumenical climate of today and suggests ways that the four characteristics of the church can and should be manifested in our present global context this accessible introduction to the church from an evangelical perspective explores ecclesiology through the lenses of church history and doctrine to reveal what it means for us today bray discusses the church as a living reality offering practical ways churches and individuals can cooperate and live together

reprint of the original first published in 1839 the antigonos publishing house specialises in the publication of reprints of historical books we make sure that these works are made available to the public in good condition in order to preserve their cultural heritage

during the first decade of the 21st century the catholic church in the developed world has faced a decline in its moral authority increasing accusations of irrelevance to a secular age and a steep and steady decline in commitment among successive generations from the 1960s on despite this catholic schools have multiplied and grown in popularity and educational achievement the book sets out a programme for the contribution of catholic schools to the future of the church covering such topics as the religious education curriculum in its cognitive and affective aspects the sacramental life of the school selection of staff the issue of staff and catholic witness and many other topics engebretson argues that catholic schools are a powerful key to the future of the church and shows how within their diversity catholic schools can be ecclesial communities which have at their heart the building up of the church

witness lee speaks of the church in the practical expression of the church not only from the viewpoint of god s eternal purpose which is the church triumphant and universal but also from the viewpoint of the believers experience and enjoyment of the riches of christ which produces a local expression of the church an expression that displays the oneness of the body of christ and brings in god s commanded blessing psalm 133
